

## Emergency Supplies

If you need one of your regular medicines in an emergency when you are unable to contact your doctor, we may be able to help. Remember that we are here to help you every day including weekends so get in touch with us as soon as you can. We must stress that this can only be done in genuine emergencies. We DO NOT charge for this service if you are registered with any of the local GP practices. If you would like more information about any of the services mentioned, please ask a member of staff or give us a call.

## Medicine Sales

We keep a wide range of over the counter medicines and also vitamins and mineral supplements. We can supply a range of equipment for health maintenance such as Blood Pressure Monitors, Blood Glucose Meters, Pregnancy Testing Kits, etc. We can also order any product upon request at competitive prices.

Providing NHS services

**Your local pharmacy offers a wide range of services and facilities for all the family**

### **Dispensing**

We dispense NHS & private prescriptions and will give advice on how to get the most benefit from your medicines. We keep a comprehensive stock of medicines and use fast and efficient wholesaler service to enable us to fill all prescriptions promptly. We dispense private prescriptions at competitive prices for a range of treatments and health supplements.

### **Repeat Dispensing**

We can dispense NHS repeat dispensing prescriptions issued by your doctor. Ask us for more information about this service.

### **Free Prescription Delivery Service**

We can deliver your medicines if you are unable to visit us. Our delivery service covers areas in and around Killamarsh.

We also offer a repeat prescription service from all surgeries in the area. Please ask for details.

### **Prescription Reviews**

All patients with long-term conditions taking medication (and who have had their medication dispensed at our Pharmacy for at least 3 months) can have an annual Medicines Use Review. The review takes place in private with an accredited pharmacist who will help you get the best out of your medicines. The review lasts about 20 minutes.

### **Other Services we provide:**

Stop Smoking Service, Pregnancy Testing, Free Blood Pressure Checks  
Free Emergency Contraception service, Chlamydia Screening, Minor Ailments and Healthy Living Advice

### **Patient Medication Records**

Our computer system keeps a record of your prescribed medicines and helps check for drug interactions and adverse effects. Checks can be made with medication bought over the counter.

### **Prescription Synchronisation**

At the end of the month, are you left with lots of one tablet and not enough of others? We can help you put this right to save you time.

### **Disposal of unwanted or out-of-date medicines**

Please return all unwanted medicines to the pharmacy where we will dispose of them safely.
